

Care to Share!

Dear Neighbor,

Thank you for choosing Dolley Madison Dentistry as your dental care provider. Our goal is to give you the highest quality dental care in the friendliest, most caring way possible. Our practice continues to grow through referrals from patients like you. That's why we have established our Care to Share program. If you enjoyed your visit to our office, please share your experience with your friends and family. If one of your referrals comes to our office, you'll both save money on your dental work.

Sincerely,

Dr. Bradley Wiltbank & Staff

How it Works

1. Write your name and address in the "Referred by" section of this \$50 referral certificate.
2. Give it to a friend, neighbor, co-worker or family member who has never been to our practice.
3. This certificate will give them a \$50 discount on their first appointment.
4. After they redeem their certificate, we'll thank you by sending you a \$50 Dental Care Certificate. There is no limit to the number of \$50 Dental Care Certificates you can use!
